Celebrate Christmas
all through the season
till Epiphany

Whether you believe '12 days of Christmas' is an original Catholic carol or that the derivations came out of a fun song later, it definitely makes for a meaningful way to stay in the Spirit of Christmas.

This free printable is part of the '12 days of Christmas' Worksheet set which includes coloring ornaments for each day, number and letter recognition, tracing activities as well as those to learn the meaning of the song.

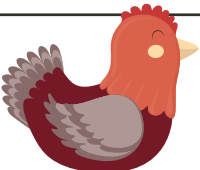

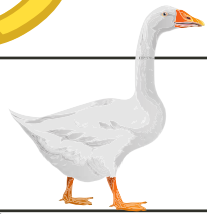

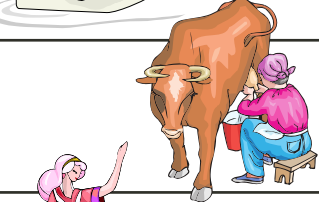

This set goes out to monthly subscribers and you can get yours on the website. The Monthly subscription of just 3.50USD gets you weekly worksheets through the year based on the Sunday liturgical readings along with learning about special feasts, Mass articles and people at Mass.
